The following were received and acknowledged:

- May 10, 2016 Regular Meeting Minutes
- Community Development Director's Report
- Recreation Facilities Maintenance Manager's Report
- Financial Statement & Bank Reconciliation
- Accounts
- Overtime Report

CANADA 150 COMMUNITY INFRASTRUCTURE PROGRAM

Council approved the application under the Canada 150 Community Infrastructure Program respecting expansion of and pedestrian access to the Community Sport/Playground/Recreation Site facility adjacent to the new K-12 school, and confirmed commitment of funding of up to $165,000 between May 24, 2016 and October 31, 2017 as the Community's 55% share of costs of expanding this recreation infrastructure.

DUST PROOFING POLICY

The Town will not extend the dust proofing program beyond commercial areas.

CLEANUP WEEK – JUNE 6 – 10, 2016

Cleanup Week was set for June 6 -10, 2016 and our Public Works crew will pick up larger items not normally picked up by the waste collection contractor.

LANE SURVEY

The annual Lane Survey was set for June 13th @ 1:00 p.m. in conjunction with the end of Cleanup Week.

WASTE DISPOSAL SITE OPERATOR – CONTRACT PROPOSALS

Council accepted, in principal, the May 19, 2016 contract proposal of Paul Zagrobelny as Waste Disposal Site Operator subject to finalization of terms, and a contract will be drafted for review and approval to be effective July 1st.

MEDICAL CLINIC CARPET

Council acknowledged a request from Kelsey Trail Health Region for replacement of carpet in the Medical Clinic and referred estimating and planning to the Facilities Maintenance Manager.

CDD – HOUSING UNIT REPORT

Council acknowledged the report on local senior's housing options and size of waiting lists, as provided by the Community Development Director.

STEWART HAWKE – PHASE II

The Town will terminate further investment in the Stewart Hawke School Re-Adaptive Use Study at this time.
